## Bienvenue dans LEGO® Art

En expérimentant l'art sous toutes ses formes, nous développons notre imagination et laissons libre cours à notre curiosité créative. En chacun de nous, il existe ce qui pousse les grands maîtres à créer des œuvres d'art emblématiques. Cela commence par l'observation de *ce qui est*, le questionnement de *ce qui pourrait être* et l'inspiration d'*exprimer de nouvelles idées* sur un support artistique. Bienvenue dans l'expérience LEGO® Art.

En anglais uniquement

## Construire et exposer

Le crochet de suspension murale vous permet d'accrocher facilement votre *Joconde* LEGO® Art au mur.

# LA JOCCONDE

« On pourrait vraiment dire que la qualité artistique de cette œuvre susciterait de la crainte et des tremblements chez tout artiste courageux. » – Giorgio Vasari, 1550

Scientifique visionnaire, inventeur et polymathe, Léonard de Vinci (1452-1519) est surtout connu pour ses œuvres innovantes de la Renaissance. Il a peint relativement peu de tableaux, mais ses nombreux dessins, illustrations et inventions réalistes attestent du soin apporté à ses méthodes scientifiques, de son amour de la nature, de son imagination unique, de son talent artistique et de ses techniques innovantes. La plus célèbre de ses œuvres est l'énigmatique portrait de Lisa Gherardini, *La Joconde*. Peinte sur un panneau de peuplier dans un cadre en noyer sculpté, elle a nécessité plus d'une décennie de travail (1503-1519). Léonard de Vinci a appliqué plusieurs couches de détails délicats afin d'obtenir suffisamment de profondeur et de perspective. De plus, il a utilisé sa technique ingénieuse du *sfumato* pour adoucir les contours et les contrastes et ainsi faire ressortir une lueur presque éthérée de son modèle.

L'apogée artistique de la carrière exceptionnelle de Léonard de Vinci fascine les membres de la famille royale, les régents, les artistes et les amateurs d'art du monde entier depuis cinq siècles. Depuis 1797, *La Joconde* est l'un des joyaux de la couronne du formidable musée du Louvre à Paris. Dérobé en 1911, le tableau est resté introuvable pendant deux ans, ce qui a sans aucun doute contribué à sa renommée mondiale. Depuis, des millions d'amateurs d'art rendent chaque année visite à *La Joconde*. Son influence sur l'histoire de l'art et la culture pop reste inégalée. Vous pouvez désormais étudier les détails de la majestueuse œuvre de Léonard de Vinci, sans peur ni tremblement, simplement avec un profond respect pour l'artiste et son esprit créatif.

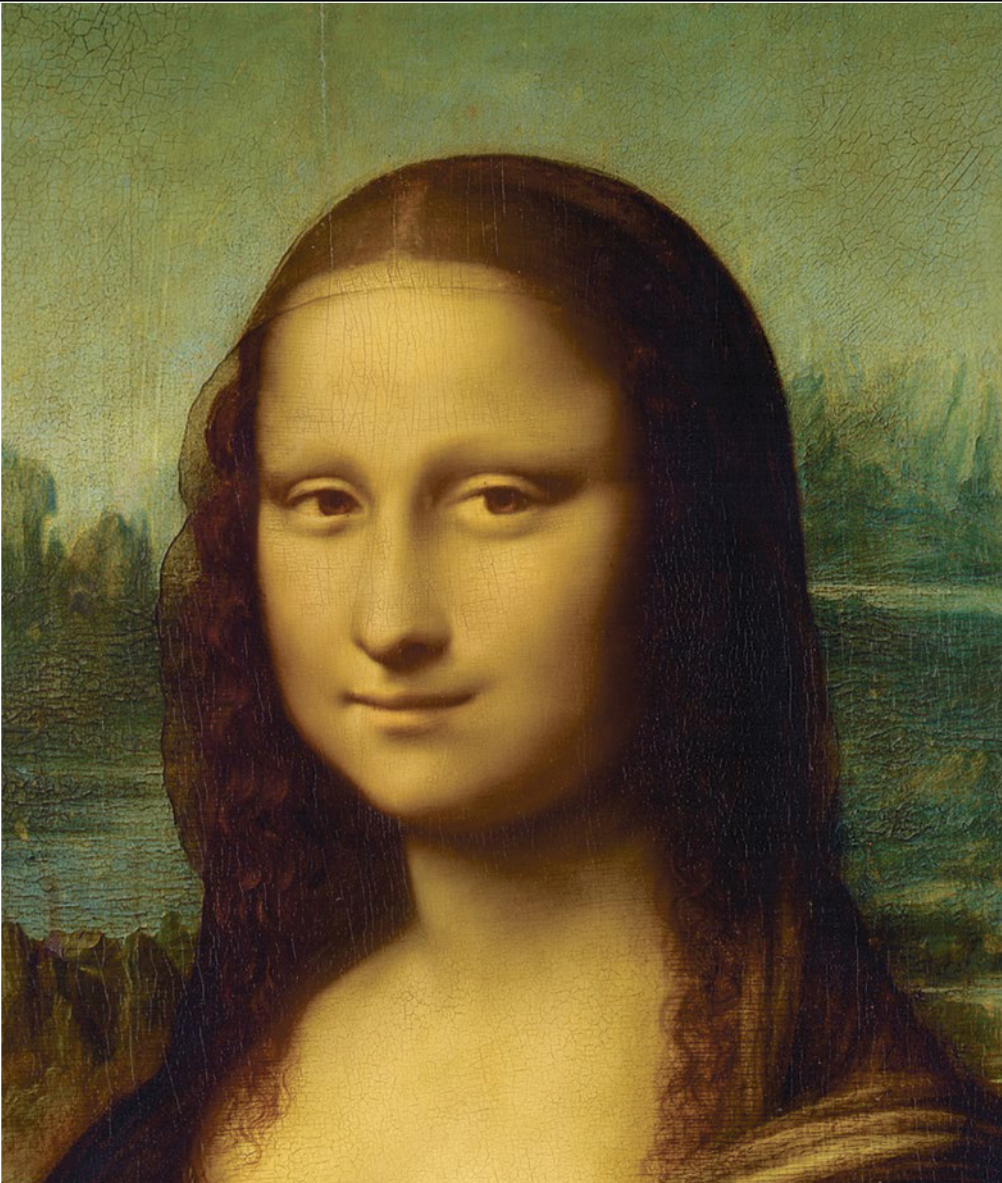

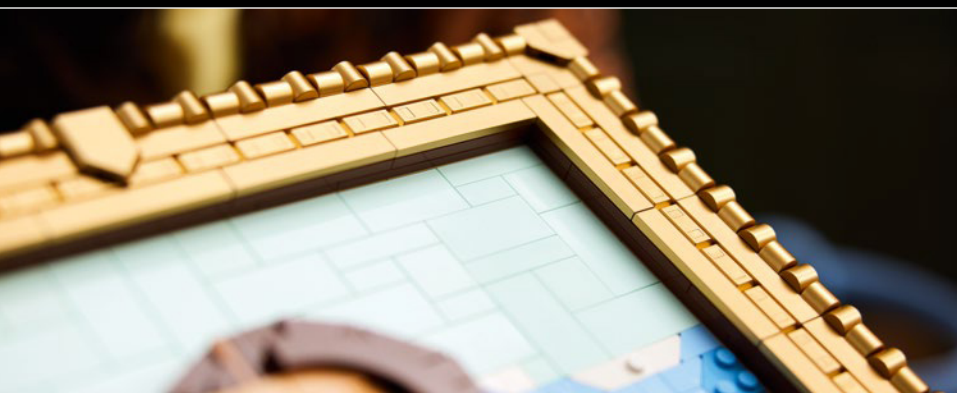

## L'interprétation LEGO® Art

Réinterpréter les œuvres d'art les plus célèbres du monde entier au format LEGO® permet de repousser les limites et de trouver de nouvelles façons stimulantes d'utiliser les briques LEGO comme support artistique, tout cela de façon ludique. De nombreuses recherches ont été effectuées lors du choix du format, des couleurs et des formes afin de rendre cette œuvre d'art vraiment unique. Les couleurs de la peinture d'origine se sont naturellement estompées et la laque s'est oxydée, conférant au tableau un léger ton jaune. Hommage au chef-d'œuvre de Léonard de Vinci, ce modèle imagine à quoi aurait pu ressembler *La Joconde* fraîchement peinte, dans une composition de couleurs vives LEGO. Des formules géométriques et mathématiques ont été utilisées pour le modèle afin de reproduire fidèlement la pose et les caractéristiques de l'original. Destiné à enchâter et éveiller la curiosité et la créativité, ce modèle démontre comment tirer vraiment parti de l'impact visuel des éléments LEGO et créer votre propre œuvre d'art.

## Modifier l'expression/ Expérimenter avec des expressions

Le cadre doré est construit séparément, ce qui vous offre la liberté artistique de le reconstruire, de le remplacer par votre propre cadre ou de l'utiliser pour votre propre création LEGO® Art originale. Si vous souhaitez expérimenter une expression plus abstraite, vous pouvez remplacer les yeux de Mona Lisa par d'autres tuiles d'yeux non imprimées.
